

Spring Break Survey

- *What do you think of this school year so far?*

Chris, junior: *Fast and a lot less drama.*

Kylee, senior: *I'm just glad I'm about to graduate.*

Kristi, sophomore: *It's alright.*

Mackenzie, sophomore: *Overall it's been okay. I don't really like that we don't have a longer lunch. I'm not fond of the dress code. But other than those two things, it's been good. The new teachers are harder than the ones we had last year and that's a good thing! They are making us work and this school really needs that. This school year I thought there were more disrespectful kids and I wish there was something more done about it. The things I liked about the school year is that I get along with most of the teachers and they will get along with you if you treat them with respect and do what they ask.*

Matt, senior: *I think this year is going pretty good. I am happy with all my classes and teachers.*

- *What do you look forward to during the rest of the year?*

Chris, junior: *Track and seeing new friends at track meets.*

Kylee, senior: *Spring Break, Prom and Graduation! Wearing shorts after Spring Break.*

Kristi, sophomore: *To get good grades and I'm just looking forward to this summer.*

Mackenzie, sophomore: *I'm just like any other kid. I'm looking forward to the school year being over because I'm ready for SUMMER! ☺ But for the school year I am going to keep my grades up and just keep doing everything the same. I'm not looking forward for the seniors to graduate though. Most of them are close friends and I hang out with them on weekends!*

Matt, senior: *I am looking forward to my last year of track and Graduation.*
